FOREWORD

This listing is issued under the authority of DoD Directive 8910.1, Management and Control of Information Requirements, June 11, 1993, and supersedes DoD 8910.1-L, Listing of Approved Recurring Information Requirements, dated July 1, 1995. Its purpose is to identify and document the inventory of DoD internal information requirements approved by the Office of the Secretary of Defense (OSD), interagency reporting requirements approved by the General Services Administration (GSA), DoD public-use reports approved by the Office of Management and Budget (OMB) and Congressional reports required by law.

NOTE: After this January 31, 1996 edition, this publication will no longer be distributed in this printed format. The listings will be available on the World Wide Web, under DefenseLink, Publications.

DoD 8910.1-L is divided into the following parts:

PART IA, List of Recurring and One-Time DoD Internal Reports is a list by OSD Component and Report Control Symbol and contains information on expiration date, assigned date, title, associated forms, authority, other authority, and respondents.

PART IB, List of Recurring and One-Time DoD Internal Reports Cancelled in the Last Two Years is a list by Report Control Symbol and contains cancellation date, title, associated forms, authority, other authority, and respondents.

PART IC, List of Recurring and One-Time DoD Internal Expired Reports is a list by OSD Component and Report Control Symbol and contains expiration date, assigned date, title, associated forms, authority, other authority, and respondents. In accordance with DoDD 8910.1, DoD Components do not have to respond to expired internal information reporting requirements.

PART IIA, List of Recurring and One-Time Interagency Reports is a list by Federal Agency and Interagency Report Control Number and contains expiration date, title, associated forms, authority, and respondents.

PART IIB, List of Recurring and One-Time Interagency Reports Cancelled in the Last Two Years is a list by Interagency Report Control Number and contains cancellation date, title, authority, and DoD authority.

PART IIC, List of Recurring and One-Time Interagency Expired Reports is a list by Interagency Report Control Number and contains expiration date, title, associated forms, authority, and respondents. In accordance with DoDD 8910.1, DoD and OSD Components shall refrain from responding to expired interagency reporting requirements.

PART IIIA, List of Recurring and One-Time DoD Public-Use Reports is a list by OMB Control Number and contains expiration date, title, associated forms, authority, respondents, current inventory, and current DoD budget.

PART IIIB, List of Recurring and One-Time DoD Public-Use Reports Cancelled or Transferred in the Last Two Years is a list by OMB Control Number and contains expiration date, cancellation date, title, associated forms, authority, current DoD budget, and actions taken (such as the transfer of one report to another).

PART IIIC, List of Recurring and One-Time Expired DoD Public Use Reports has been deleted from this final publication. OMB Control Numbers are automatically cancelled upon expiration.

This listing is effective immediately and is mandatory for use by all DoD Components. Heads of DoD Components may issue a supplementary list only when necessary to provide for unique information requirements within their respective Component.

Please forward recommended changes or corrections to this listing through the appropriate DoD Component Information Management Control Officer listed on pages xii - xvii to:
